

Qualcomm @ Purdue **September 12-13, 2022**

Qualcomm is coming to **Purdue**, and we want to meet you! Join our recruiters and engineering staff at the below times to learn more about Qualcomm, the internship and full-time working opportunities we may have for you, and exciting things we have around the corner.

Who is Qualcomm?

Qualcomm enables a world where everyone and everything can be intelligently connected. As the world's leading wireless tech innovator, we push the boundaries of what's possible to enable next-gen experiences and drive digital transformation to help create a smarter, connected future for all. Our roadmap of breakthrough technologies expands our mobile innovations and solutions to support virtually every connected device. With our leadership in wireless connectivity, high-performance, low-power computing, and on-device AI, we're powering the connected intelligent edge.

1. BOILERMAKER CIRCUIT IN-PERSON CAREER FAIR
