You are invited to FEV Consulting's Case Day in Chicago on Friday, November 3rd, 2023

Topic: "Future business models: Advanced air mobility"

Get to know FEV Consulting as part of a one-day event with our consultants. You will conduct a typical case study during the day in groups supported by one of our consultants. Afterwards, we would like to learn more about you during a joint dinner. Successful participation will be certified with an individual certificate

We are looking for outstanding students in the fields of: **Business management, engineering management, engineering, or comparable courses of studies.** Undergraduate & Graduate students are welcome to apply

Working on strategic projects in dynamic teams is exciting to you? Then please apply via email by Tuesday, October 24th, 2023

Please submit the following documents:

- ▶ Resume
- ▶ One sentence on why you should be considered
